

BOARD OF COMMISSIONERS OF  
HENRY COUNTY, GEORGIA

RESOLUTION NO. 22-42

**A Resolution of the Board of Commissioners Adopting the Henry County Transit Master Plan**

**WHEREAS**, Henry County desired that a Transit Master Plan (TMP) be developed to assist the County in identifying short-term, mid-term, and long-term plans for Henry County's public transportation system, including future development and capital priorities; and

**WHEREAS**, a 30-year TMP has been developed that provides direction for the expansion and extension of Henry County's public transit service to meet the growing needs of the County's increasing population and work force; and

**WHEREAS**, implementation of the TMP will provide our county citizens another viable mode of transportation to choose, decrease reliance on single-occupant vehicles, and, thus, help reduce traffic congestion on our roads and improve air quality; and

**WHEREAS**, implementation of the TMP through improved public transportation in the county will provide our citizens access to more employment and education opportunities leading to greater prosperity; and

**WHEREAS**, a better public transportation system will help Henry County position itself better and more competitively to prospective companies and employers to locate in our county leading to further economic development; and

**WHEREAS**, Henry County can potentially access more federal and state funds for public transit projects in the county that are backed and recommended by an adopted TMP; and

**NOW, THEREFORE, BE IT RESOLVED**, the Henry County Board of Commissioners, adopts the Henry County Transit Master Plan along with its short-term, mid-term, and long-term recommendations.

This 19 of JANUARY, 2022.
